September 21-23, 2011

UTAH FALL
SUBSTANCE ABUSE
CONFERENCE

Dixie Convention Center
St. George, Utah

www.utahfallconference.org

The Fall Substance Abuse Conference is the premier educational event in the Mountain West, bringing together treatment, prevention, and justice professionals from the region. The organizers of the Fall Substance Abuse Conference are excited to invite you to St. George, UT, again this year, to learn new information, network with others in the field, and receive continuing education hours for your licensure all while enjoying the beauty of Utah's Dixie in the fall!

Continuing Education

Participants can earn up to **14** continuing education hours (CEHs). The Utah State Division of Substance Abuse and Mental Health (DSAMH) as well as the Nevada State Substance Abuse Prevention and Treatment Agency (SAPTA) have approved this event. Members of NAADAC have also been approved to receive **14 CEHs**. Approval is pending from the Utah Chapter NASW. Participants may use participation certificate to apply for CEHs from other certification/licensing boards.

County LSAA Scholarships

Registration scholarships are available to the county Local Substance Abuse Authorities (LSAA) in the state of Utah. The Utah Division of Substance Abuse and Mental Health has contacted each LSAA regarding the number of scholarships available. Scholarship coupon codes have been provided to LSAAs for online registration.

Featured Speakers

Mark Lundholm

Recovery Comedian

Mark Lundholm has performed in all 50 states and 10 foreign countries. From world-renowned musicians, heads of state, Fortune 500 companies to rehabilitation centers and convicted felons, Mark has truly entertained on the world's stage.

Becky Vaughn, MSEd, CEO

Health Care Reform- A Providers Perspective

Ms. Vaughn has been working in the addictions field for over 25 years. Her work includes the passage of many bills addressing substance use disorders and securing budget resources. In 2008, she took over the helm of the State Associations for Addiction Services (SAAS) as their CEO. As a former teacher and the mother of four, she is passionate about preventing and finding solutions to the far-reaching problems caused by untreated addiction.

Patrick Cooper, Ph.D., CEO

Coordinated School Health Plan (CSHP)

Model: What's In It For Me?

An advocate of the coordinated school health model, Dr. Cooper made CSHP his major reform tool beginning in 1989 while Superintendent of Schools in Louisiana and Mississippi. Dr. Cooper is carrying on the work in a new project in New Orleans, Louisiana. He speaks nationally about the success of CSHP, and he will share the extremely positive results of the past and present work.

Ijeoma Achara, Psy.D

Recovery Oriented System of Care (ROSC)

Dr. Achara consults with states, local governments and provider organizations around the country regarding the provision of recovery oriented care and the development of recovery oriented systems of care.

Clay Roberts

Raising "Leave it to Beaver" Kids in a "Beavis and Butthead" World

Mr. Roberts is a consultant for Senior Training Associates and the Founder and President of Roberts & Associates. He has been a consultant in over 40 states and 6 foreign countries including the following agencies and groups: Alcohol, Drug Abuse and Mental Health Administration, U.S. Department of Health and Human Services, Office of Juvenile Justice and Delinquency Prevention, Indian Health Services and Disney Channel

Kevin McCauley

The Science of addiction and Medication Assisted Recovery

After completion of medical school, Dr. McCauley joined the Navy and became a Naval Flight Surgeon where he treated pilots with alcohol and drug problems. As a physician, he advocates strongly for the rights of addicts as patients. Dr. McCauley will provide an update on the research on addiction as a brain disease.

Registration
